

***Welcome back*** to another great year of piano lessons!

Throughout the year, there will be many fantastic opportunities to perform in recitals, competitions, and other events through the Ohio Music Teachers Association-Central East District. Event photographs of performers are frequently taken as publicity for distribution to local media. Please visit the “Student Image Permission Form” to indicate your preferences using the QR code below.

**NEW!** Beginning this year, students will only need to complete the form one time and it will be effective for the entire school year for all events selected.

Thank you for your help making this a memorable and exciting year of piano!
