About Pianorama

Pianorama has been held in central Ohio biennially since 1975. It has allowed thousands of piano students to experience the thrill of large ensemble participation, while learning how to follow a conductor and gaining valuable audition, rehearsal, and concert experience. This year, over 170 piano students, parents, and teachers from private music studios across central Ohio auditioned to participate in one of the nine playing groups and special performances. Organized by the Central East District of the Ohio Music Teachers Association (CEOMTA), an affiliate of the Music Teachers National Association, Pianorama is one of many educational and motivational events that CEOMTA provides for students in addition to offering a strong community of support and continuing education for their teachers. For more information, please visit our website: www.ceomta.org.

Thank You to Our Community Supporters!

Pianorama 2023 is a unique event which could not exist without support from the music community of Central Ohio. We are grateful to be hosted again by **Discover Christian Church**. We appreciate them opening their facilities to accommodate the delivery and tuning of 14 pianos, a full day of dress rehearsals and two performances. Special Thanks to Theresa Murphy, Susan Treer, and Susan Frost for help with concert set-up and Dane Alexander for providing technical support for the concerts.

The beautiful pianos on our stage tonight were provided by **Graves Piano & Organ Company**. The pianos were moved by **Davis Piano Movers**, and were tuned by **Evan Bingham, RPT** and **Sam Stahl, RPT**. We are especially thankful for the nine CEOMTA teachers who are conducting our performers tonight. They have graciously devoted their time to this event.

Our deepest gratitude goes to **Graves Piano & Organ Company**. For decades, they have provided the space and instruments for auditions, rehearsals and concerts. Pianorama simply would not be possible without their ongoing assistance.

Discover is honored to host Pianorama 2023 and offers our congratulations to the students, parents, and teachers of the Ohio Music Teachers Association – Central East District.

Well done!
