Dear CEOMTA Parents and Guardians,

Welcome back to another great year of piano lessons!

Throughout the year, there will be many fantastic opportunities to perform in recitals, competitions, and other events through the Ohio Music Teachers Association-Central East District. Photographs of performers are frequently taken as publicity on our organization's Facebook page, Central East District - Ohio Music Teachers Association.

Please visit the Student Image Permission Form Webpage (<https://www.ceomta.org/student-image-permission-form>) to indicate your preference or use the QR code below.

Students will only need to complete the form one time per school year for all CEOMTA events. Thank you for your help making this a memorable and exciting year of piano!

Sincerely,

Stephanie Webster
Publicity Chair, CEOMTA
